General Science 1— Joan Barber; Frank Bates; Keith Williams; Bert Freeman; Ada Wright; Jean Garrett; Betty Caldwell.

Composition 2— Betty Caldwell; Jean Cornack; Myrtle Harwood; Josie French; Donald Nichol; Josie Bellinger; Douglas Shrimpton; Fred Teare; Wilson Wall; Cornelia Williams.

Literature 2— Robert Brown; Betty Caldwell; Jean Cornack; Myrtle Harwood; Josie French; Douglas Shrimpton; Wilson Wall; Cornelia Williams; Donald Nichol; Catherine Bellinger.

Latin 1— Joan Barber; Keith Williams; Joan Garrett; Francis Callaghan; Betty Caldwell; Josie French; Norman Laycraft; Donald Nichol; Wilfred Ridley; Graham Teuch.

In the above Recommendations Units 85 papers were written, credit being obtained in 69 or 82 per cent cases.

Departmental results will be available about the middle of August.

Public School Promotions To Grade II— Joan Bolesavina; Lella Campbell; Billy Patterson; Pat Watson.

To Grade III— Betty Blackwell; Donald Brundage; Annie Nauta; Charlie Snook; Chester Teuch; Elizabeth Wheeler.

To Grade IV— Ellen McParland; Lois Patterson; Dora Milson; Gladys Seale; Opal Besse; Brian Blackwell; Alice Snook; Edna Harwood; Vaughn McNeill; George Keeling.

To Grade V— Diana Young; Mary Blain; Georgina Knoch; Irene Brundage; Irene Pritchard; Ivy Pritchard; David Davison; Carrie Melissen; Russell Morgan; Leonard Wheeler.

To Grade VI— Grace Blain; Lena Williams; Dorothy Besse; Esther Bole; Margaret Patterson; Lawrence Brown; Edythe McNeill; Greg Freeman; Orrie Woldum; Jack Col.

Local News Items

Mr. John McIntosh, M.L.A. of Brooks is expected to be present and give an address at the next meeting of the Legion July 10 in Strathmore.

Misses Alberta North and Kay Elliott came down from Calgary Sunday of last week to enjoy the day at the home of the former's parents Mr. and Mrs. J. D. North.

Mr. and Mrs. McCreigh and Annie spent the holiday week end at Banff.

Fred Teare was a haunt visiting the holiday week end.

Miss Mary Folk and Miss Marion Gordon left on the early train Monday for a holiday at Vancouver.

Mr. and Mrs. D.A. Perry were guests of Mrs. Perry's sister Mrs. May in Medicine Hat over the week end.

Miss Elsie Sorenson was an exceedingly happy last week when she received a letter from her brother, Mr. Wm. Sorenson who is connected with the Boulder Dam construction in Nevada. The letter contained transportation both ways with all expenses paid for a trip to Nevada and a visit with her brother and his wife for the summer months.

The Sunday School of St. Michael's Church held a most enjoyable picnic on the grounds at Crowfoot Head quarters on Friday the 29th of June. The town was divided against itself in two soft ball games in which the honours were almost even, and races were run with the best foot forward every time. The thanks of the School are due to all those who so kindly provided transportation and good things to eat, and to the weather man and Mr. Slater for finding such a nice afternoon.

Rev T B Winter is in attendance at the Diocesan Summer School in Banff during the week.

Mr. and Mrs. E. W. Lambert are very welcome visitors in Strathmore, guests of their son Mr. Arthur Lambert.

Mr. A. L. Williams, barrister is now located in his new office one door east of E. T. Wright's Store.

Mr. E. E. Edwards and small daughter of Calgary are guests of Mrs. T. Hughes and family for a couple of weeks.

M. D. BOW VALLEY HOLD REGULAR MEETING

A regular meeting of the Council of M. D. Bow Valley No. 219, held in the Municipal Office, Strathmore on Thursday, June 28th, 1934 commencing at 10:30 a.m. All Councillors were present.

The minutes of the last meeting were adopted as read.

Report was submitted regarding the operation of the Grashopper Bait Mixing stations at Carleton Place and Strathmore. From both of these stations a great deal of bait has been distributed to the farmers and in most cases good kills have been reported where the bait applied at the proper time and in the proper quantities. It has been noted from the daily press that parasites are in evidence in other districts but in this Municipality, with the exception of one case reported, we have not any information which would disclose that parasites are working on our grasshoppers. If the wet cloudy weather keeps up we are of the opinion that it will retard the laying of eggs by the adult grasshoppers but will not greatly influence extermination of these same full grown grasshoppers.

Mrs. A. M. Moore, on behalf of the Strathmore Standard addressed the Council with respect to the continuance of the contract for supplying the paper to residents through the Municipality. The matter was taken under consideration by the Council but on being put to a vote the motion was not carried. It therefore still remains that the council are not supplying the paper to residents as in former years, for 1934.

Purchase of the 1934 amendments to the statutes was authorized by the council for the information of ratepayers and for use in the office.

Two ward inspectors were appointed by the council; Arnold Lausen for divisions No. 1, 4 and 5 and Hans Lausen for divisions No. 2, 3 and 6. These

At the vacation schools held this week and next there is an increased attendance over last year. Strathmore having 45, Cheadle 16 and Nakam 40 around 39 children in attendance.

Rev P. J. Monahan, Roman Catholic Bishop of Calgary celebrated Wednesday his 5th anniversary as a priest of the church. Pontifical High Mass was celebrated in St. Mary's Cathedral with a wide number of Bishops and Archbishops present in honor of the occasion.

NEW SWIMMING POOL

Work is progressing on the lake in the park to make it a safe and clean place for swimming and bathing. We repeat that this sanitary swimming pool will be a great boon to Strathmore from 3 years up. The promoters are to be greatly commended. It is planned to have a real gala opening day when the pool is complete and then hold the sports which were postponed Monday because of the rain, to be followed by a good dance at night. Watch for date.

WEDDING

KIMPTON-MCKENZIE

A quiet wedding took place in Calgary on June 28th, Rev Todd officiating when Anna Jean daughter of Mr. and Mrs. Kenneth McKenzie of Vancouver, B.C. became the bride of Marshall Frederick Drummond Kimpton of Cranbrook, B.C. After spending a few days with friends in Strathmore, Mr. and Mrs. Kimpton leave on a motor trip to Vancouver and other coast cities. Upon their return they will reside at Corbin, B.C. where Mr. Kimpton has been employed as electrician for the past three years. Mr. and Mrs. M. F. Kimpton were the guests of Mr. and Mrs. Chase over the week end.

COMING EVENTS

A Lawn Social will be held on Mr. G.H. Patrick's Lawn on Saturday July 7th. No charge for admission. Tickets sold at 25c. Clock golf, horse shoe pitching and numerous other interesting events. Everybody welcome.

The week at Ottawa

Canada like some thirty-say other countries of the world has now a central bank called the Bank of Canada. The head office will be in Ottawa and branches may be established in other places in Canada or outside of Canada. The management shall consist of a Governor, a Deputy Governor and seven directors. The Prime Minister has stated that the Governor will be some one from England and this was the occasion for a rather bitter debate. One side felt that a man experienced in International Banking should be appointed. The other side argued that someone familiar with the racial and economic conditions of this country, should be appointed.

The Governor and Deputy will be full time men.

The stock of the bank will be sold to the public and the rate of interest paid to the shareholders will be 4 and a half per cent. If more than this is made as profit then it goes to the treasury.

The note issue privileges shall be withdrawn gradually from the chartered banks 5 per cent for five years, then 10 per cent for five years, in all 75 per cent starting in 1938.

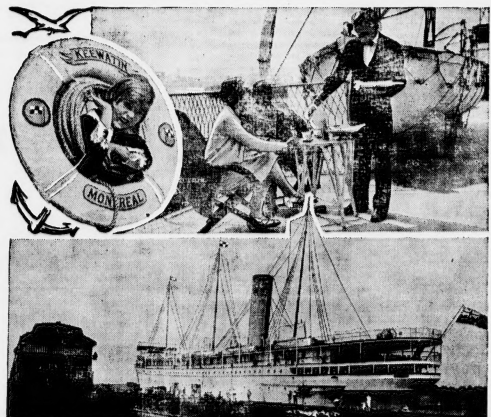

The Bank will act as the financial agent for the Dominion Government and properly for provinces. The Bank may buy and sell gold, buy and sell Dominion securities, buy or sell discount bills of exchange endorsed by the Chartered Banks in connection with the marketing of products, make loans to the Dominion or the Province, accept deposits from Governments and Banks without interest and deal with the central banks of other countries. The Bank will not deal with individuals or in banking matters, but will supervise the chartered Banks.

The gold coverage for the bills in circulation is officially reduced from 40 to 35 per cent. This means that with the seventy million dollars worth of gold, two hundred and eighty million in currency can be issued. At present there is only about two hundred and thirty counting the fifty million recently provided for in connection with the Public Works program.

Very few changes were made in the Bank Act except those necessary to fit the Bank of Canada Act. There are many districts disappointed over the Works program. Many Military buildings are being constructed in some cities there are not needed. I spoke on this motion and urged that Sewerage Disposal Works be constructed to protect the health of communities and that Water Conservation Reservoirs be constructed to assist the Ranching Industry in the dry areas. I felt that the building for a greater Canada the human and the productive element should not be overlooked.

P. W. Gershaw

The Lure of the Lakes

Musical, moonlight, glorious lake breezes with six hundred miles of sailing on the Canadian Pacific's Great Lakes vessels S.S. Assiniboia, Keweenaw and Superior. The ships, across the northern part of Lake Huron, through the St. Lawrence locks and there on Port William on Lake Superior, a pleasant lake and restful journey of 70 hours from Port McNicoll or Owen Sound.

On all those who are planning this country as well.

Newsy Notes

Industrial Outlook, Western Canada

Throughout the Okanagan Valley and the East and West Kootenay districts, the season this year is nearly three weeks earlier. A recent visit to this territory showed prospects of an abundant crop of all classes of fruit for the 1934 season. A definitely improved business expansion was evident at the principal points such as Vernon, Kelowna, Penticton, Nelson, Creston and other towns, through which the movement of fruit and vegetable crop remunerative to the grower.

A Welcome Appointment

Hon F S Grisdale, recently appointed Minister of Agriculture, displays that keen sense of sound judgment which should serve him well, when he announces the appointment of O S Longman, as Field Crops Commissioner. Mr Longman succeeds E L Gray who was recently transferred to the department of Municipal Affairs as Deputy Minister. Mr Longman is no stranger in this section of Alberta, having made the preliminary survey in connection with the establishment of the Berry Creek Area. During the short time which he served this east central section, Mr Longman earned the respect and confidence of the entire Area and when he left the service of the government to go to the Colonization Finance Corporation of Canada, at Indian Head, Sask his departure occasioned widespread regret. The Hanna Herald congratulates Hon F S Grisdale upon securing the services of so competent a man as Mr Longman. We predict good things for the future and join with many friends in welcoming Mr Longman back to the Province.

—Hanna Herald—
First victim to die in Colorado's lethal gas chamber. William Cody Kelly, convicted murderer was executed while fifteen physicians peered through small glass windows to study the effects of the gas.

More entries than were to hand at this time last year have already been received by officials of the Calgary stampede in spite of the absence of many riders who went to the London, England rodeo. A record entry is anticipated.

—London—
London welcomes Mrs Sarah Delano Roosevelt, mother of the President. The newspapers publish laudatory interviews and pictures of her being received at Southampton by American Ambassador Robert W Bingham, whose guest she becomes. Prime Minister MacDonald entertains her at luncheon before beginning his long holiday. Eight pictures in the newspapers appear the captions: World's Most Wonderful Woman, Meet Mr Roosevelt's Mother—So Young Young, Mother of One of the Greatest Men in the World. Mrs Roosevelt finally yields to pressure and does as she is asked—She talks about her boy.

ROCKYFORD

Miss A Roberts of Calgary is a week end visitor with her parents.

The many friends of Mac Ruid will be pleased to know that he is progressing very nicely since his recent operation. We hope that he will be in our midst before so very long.

On Thursday afternoon everyone was rather excited when a cloudburst came on the edge of town flooding the main street. Some of the store owners at the south end of main street were full of water. The youngsters were quite happy to be able to paddle up and down main street. The only teachers had to wade to be able to get to their homes. According to reports nothing was seriously damaged.

—Mrs Hodgson is getting settled in her new home.

—Miss I Hunt who resigned her position from the Public School left on Sunday. Miss Hunt and her sister Elaine will spend several months in Vancouver.

—Miss M Korczynski of the High School staff left on Saturday morning for Calgary to be present at the wedding of her sister Miss Rose Korczynski after which Miss M Korczynski will leave for her home in Vancouver.

The Rockyford baseball team left for Banff on Sunday morning to play against the Banff team on Sunday and Monday. We wish them the best of luck.

—We are sorry to hear that Miss Edna Cammert was also operated on for appendicitis last Wednesday. This makes two cases within one week. Edna is getting along very nicely.

—The high school staff will be as last year as both teachers were requested. Mr C Bradwell Principal and Miss M Korczynski, assistant. The public school have engaged a new teacher, Miss Patterson of Calgary.

—Mr and Mrs G Gillespie and daughter Barbara of Harris, Sask. are the guests of Mr and Mrs Carpenter for a few days.

—Mrs Carpenter has also her second daughter Mrs Win Allen and small daughter Mona of Nanton visiting with her.

—Mr and Mrs R J Stone and family motored to Calgary on Sunday. Mr Stone will leave for Vancouver on Monday morning.

—Lyle Miller of Calgary is the guest of Tommy Jarvis of Jarvis for a week.

—Rockford visitors to Pine Lake for the week end are Mr and Mrs A Deibert and family; Mr and Mrs D R Doole and family; Mr and Mrs L Halpin and son Edmund; and Mrs A Wise and family.

HERVEY NOTES

Miss Helen Peter is engaged as teacher for Hervey school this coming term.

—The participants of the Golden Wedding feast near Coronation report it a great success but on the return trip were a day and night in the deep of Rockyford mud.

—Jim May's car became very balky, the last day of Strathmore exams and had its name temporarily changed.

—A modern proverb—A man who can manage a woman, can govern a nation. If that be so some giant minds feel rapable to run the world.

—The rough riders are practised up to international pitch, so let the Yankees come.

—Fred Kondo sold all his wheat and glutted the market. Farmers should join the pool and hold the price up.

—Mr and Mrs J P Lowery and Mrs

Safety is combined with Easy Riding in the NEW FORD V-8

A SOLID FRONT AXLE

(1) The structural advantage of a sturdy front axle of high quality steel is apparent to anyone. (2) The proper camber, caster and "toe-in" of the front wheels can also be maintained with consequent reduction in tire wear. (3) Up in and we'll show you what camber, caster and "toe-in" are.)

TRANSVERSE SPRINGS

(3) The heavy section of spring is attached to the frame. (4) The flexible, feather-like tips are attached to the axle near the wheels; they receive road shocks first and absorb most of them before they reach the frame. The rear wheels also have the same easy spring control.

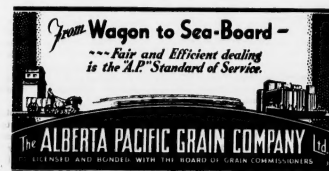

RADIUS ROD BRACING

(5) In the Ford, regardless of braking stresses, alignment of the wheels and ease of steering are maintained by axle, radius rod and transverse spring. (6) The rear end of the radius rod is firmly fastened to the frame by a ball and socket joint which is insulated with rubber.

EARLY ELECTION?

It is too soon after the distressing days that have been passing in Edmonton particularly, and the Province in general, to attempt to predict what the future outcome will be. At present we are all in very much of a state, waiting for the storm of harassed feelings to pass somewhat, and the dawn of a clearer tomorrow.

That the present administration can hope to carry on without a very thorough house cleaning is unthinkable, with the shadows lurking in so many corners the confidence of the people, would be absolutely lacking.

Surely it is possible to find plenty of men capable, true, honorable and worthy to carry on the legislative work of our fair Province, with a pulse in their work and for their position, to whom the electorate can look with confidence.

If not, then alas for humanity and our boasted civilization. But we are not of that pessimistic class, rather do we look with keener optimism to the future and to an enlightened electorate who will demand by their ballots that those privileged to hold the high offices of the Province shall be of the highest calibre.

It is not an especially desirable atmosphere for those who have been recently sworn in as Cabinet members, in which to take up their tasks and a general election in the near future seems indicated.

CARSELAND

A very interesting course in house decorating was held in the United Church, Carceland Tuesday and Wednesday of last week when about fifteen ladies were in attendance. Miss Goodall was the instructor in charge and a large number of useful and beautiful things were made.

Mrs Mead Moore has as her guest her sister Mrs Decker and family of Pittsburg, Pa.

Mrs W J McCombe a former resident of Carceland and now of Brookings, South Dakota is spending some time with her mother, Mrs D M Robinson.

Mr and Mrs Chas Cote are rejoicing over the arrival of a bonnie baby girl on Monday July 2nd and are receiving congratulations from their many friends.

Mrs Inger Christensen is in Calgary General Hospital having had to undergo an operation for appendicitis. Her friends all wish for her complete recovery soon.

ARDENODE

The juniors met this week at the home of Miss Morprie Dawson, last Saturday evening. Business was gone through and coming events discussed after which the youngsters enjoyed a very social evening. A delicious lunch was served which brought the meeting to a close.

Mr and Mrs J. J. Fifth of Lethbridge were visiting old friends in the district over the holiday.

Mrs Chas. Joel and family spent a few days in Calgary this week.

Mr Sydney Watson and Mr. Leon and Hilson visited Fine Lake over the week end. The gentlemen said the fish were extremely plentiful but they had to hurry home. They hope to have a return trip in the near future.

Mr. and Mrs J. Horrocks also Mr. and Mrs Jensen spent Sunday visiting friends at High River.

The weather man has done some good stuff so far this year—here's hoping he won't get too fresh just to show us what he can do.

The vicar was inquiring of one of his flock why he had not been to church for several Sundays. Well, you see, said the man, I've been troubled with a bunson on my foot. Strange, commented the pastor, that a bunson should impede the pilgrim's progress.

NAMAKA

Namaka girls team are playing better football than ever since their rest from the game during the June examinations. Last Thursday evening Claude Buttes girls, accompanied by their teacher Roy Little, arrived here according to schedule in spite of the heavy shower and gave the local team the stiffest opposition they have encountered this season. It was in the last half of the last inning that Namaka girls won the extra run that gave them the narrow margin of victory 11 to 10.

Sunday afternoon local fans were treated to two fast and close games when Claude boys and girls teams visited Namaka. Namaka girls seemed somewhat crippled from the picnic of Friday and Saturday but finally rallied to add another victory to their long list for this season 17-16. The boys put up a good fight but were not quite equal to their visitors who won 11 to 8.

Namaka and Hammer Hill schools were fortunate in having a beautiful day for their picnic last Saturday. It was warm enough for swimming and the enjoyment of the abundance of ice cream provided. The usual races and games filled the afternoon for the youngsters while the older folk enjoyed a rest among the cool green trees.

Mr and Mrs Wm Carnegie and Mr and Mrs Jas Carnegie moved down from Edmonton to spend the week end with Mr and Mrs Arthur Bremner.

Arthur Bremner returned Saturday evening from Lacombe where he attended a two day course in farm instruction at the agricultural college. Harry Red Gun and Teddy Yellowbird represented the Indians of this end of the Blackfoot Reserve.

NIGHTINGALE

Mr and Mrs Sendall from near Vancouver paid a surprise visit to Mr and Mrs Thurston last week. They were neighbors in the old land and thoroughly enjoyed reviewing past events.

Mr Geo Carlson went to Calgary to receive advice in regard to his health.

Mrs Albert Meyer entertained the W at her home last Thursday. The best things in our home economics course was the Hot Call. Mrs Otto gave a paper on agriculture. A delicious lunch was served. The next meeting is with Mrs Stoddley July 12.

The local people were surprised to learn of the marriage of Mr Ted Thurston and Miss Gladys Tebb in Calgary on May 26th. Heartiest congratulations are extended to the newlyweds.

Weldon Hartman has been engaged as teacher for the Valley Garden School in place of Miss Tebb who has resigned.

Edna Kimmert, Agnes Fredericks and Rachel Harrison are at home now having completed their high school terms.

Everyone had a good time at the dance at the hall last Friday.

Valley Garden School children with their parents and friends enjoyed the picnic at the school grounds. The children had a good swim in the canal close by and soft ball was the main entertainment. A delicious lunch was served at breakfast.
